

NCP Academy in a Nutshell

HNN2.0/SisNet2.0 training

Rome, Oct 28 2015

NCP Academy will help NCPs

- By creating and implementing new and integrated training of Horizon 2020 advisors
 - Training courses on cross-cutting issues in Horizon 2020 relevant for all NCPs
- By bringing together NCP Coordinators and NCPs for Legal and Financial Issues -> easier to share knowledge and best practices
- By professionalizing NCP services across Europe and simplifying access to H2020

Training will be on-site and via webinars/streaming

For more info please see ncpacademy.eu

What does the NCP Academy do?

- Meet & Exchange workshops
- Google group for Legal and finance NCPs
- **Trainings**
- **Homepage with blog: ncpacademy.eu**

Training topics

A key objective is to provide harmonised, high-quality training in the areas of:

- Legal and financial issues
- Synergies between Horizon 2020, multilateral Initiatives, European Structural and Investment Funds and other measures
- Cross-cutting issues such as ethics, gender and others
- SME and innovation issues

Types of Training

Three types of trainings will be organised:

- On-site trainings
- Trainings on invitation by other NCP networks
- Webinars

This project has received funding from the European Union's Horizon 2020 research and innovation programme
