

## NCP-Academy Meet & Exchange Workshop

### „Performance monitoring of HORIZON 2020“ 19<sup>th</sup> of September 2016, Vienna

#### **Background**

Knowledge on indicators of Horizon 2020 and the discussion of statistics for monitoring the performance of Horizon 2020 is an important element of the work of National Contact Points. In close cooperation with the experts from the European Commission this Meet & Exchange workshop will give an overview on performance monitoring practises of Horizon 2020 discussing links to the work of National Contact Points.

#### **Aim**

The workshop perceives the following aims to the benefit of its participants:

- Increased knowledge on the performance monitoring of Horizon 2020 both on European as well as on national level
- Insight into good performing areas of Horizon and challenges from the EC perspective
- Joint picture on NCP activities to address potential challenges identified through statistical analysis

The workshop will contribute to stimulate mutual learning among NCPs whereas a crucial element the exchange with the EC is. The outcome will be summarised in an experience report for the benefit of the entire NCP-community.
