

Webinar: SME related L&F aspects in Horizon 2020
3th of May, 2015, 1.30 pm - 3.00 pm CEST

hosted by NCP- Academy project partner "Project Management Agency of the German Aerospace Centre" (DLR PT), Bonn, Germany.

Aim

In this basic webinar we take a look at SME related L&F-issues that NCPs of all thematic areas are confronted with.

Target group

All NCPs with SME as clients.

Registration link: Registration link will be provided soon.

The Number of participants is limited to 200 persons.

Topics

- Legal issues (IPR, Consortium Agreement...),
- Financial issues (Cash-flow, depreciation...),
- Specificities of different funding instruments (RIA, IA, SME Instrument...)

Method

Webinar via Adobe Connect web conferencing software

Trainers

Bastian Raue | DLR PT

Daniel Stürzebecher | DLR PT
