NCP Academy will help NCPs ...

- By create and implement a new and integrated training of Horizon 2020 advisors
- By create and implement training courses on cross-cutting issues in Horizon 2020 relevant for all NCPs
- By bringing together NCP Coordinators and NCPs for Legal and Financial aspects of Horizon 2020 and thereby make it easier to share knowledge and best practice
- By improving the professionalisation of NCP service across Europe and simplify access to Horizon 2020 calls
- Training will be on-site and via webinars and streaming
