The NCP Academy - training facility for Europe's NCPs

The NCP Academy is a project funded by the European Commission (2015-2017). It aims to enhance the performance of NCPs by providing training and workshops targeting the specific needs of NCPs, independent of specific Horizon 2020 programme orientation. The NCP Academy works for the benefit of the entire NCP community in Europe. More information can be found at: www.ncpacademy.eu.
