

16th December 2106
Rome - Italy

Establishment of TASK FORCE „Impact of NCP projects“

This project has received funding from the *European Union's Horizon 2020 research and innovation programme* under Grant Agreement No 633563

MEETING AT A GLANCE

Focus: “Impact of NCP projects”

When & Where: 16th of November 2016, Agenzia per la Promozione della Ricerca Europea (APRE), Rome

Host organisation: Agenzia per la Promozione della Ricerca Europea (APRE)

OBJECTIVES

Background: Based on the Meet & Exchange workshop on „Impact of NCP projects“ (June 7th 2016, Copenhagen, <http://www.ncpacademy.eu/meet-exchange-workshop-impact-of-ncp-networks/>) the establishment of a **task force** in the frame of the NCP-Academy was suggested (conference call, Sep. 2016)

Aim: Preparation of a **report on the impact of NCP projects from the NCP perspective** including aspects such as examples of good practices, recommendations for remaining H2020 and FP9.

TARGET GROUP

Coordinators of NCP projects, project partners of NCP academy, external expert on impact if required
