

## **NCP-Academy Webinar** **Ready to grow – the Ideal-ist Topic Tree**

**12 November 2019**

Joint event with Idealist2020

### **BACKGROUND & CONTENT OF THE EVENT**

The Topic Tree is a visual tool illustrating connections between closed, open and forthcoming Horizon 2020 topics related to ICT. It helps NCPs and the public to identify historical and future links to call topics and offers background information provided by Ideal-ist and EC Participant Portal.

The webinar on the Ideal-ist Topic Tree is a short training session presenting the Topic Tree tool in its main features and objectives to all interested National Contact Points. NCPs are invited to use the tool and consider new ways of collaboration between NCP networks.

### **OUTCOME FOR PARTICIPANTS**

Participants will

- get to know the Topic Tree tool, developed by the Ideal-ist network.
- be shown how ICT NCPs deal with call related information – from past to future
- see an example of how NCP knowledge can be shared
- be invited to further collaborate with Ideal-ist

### **WHO SHOULD ATTEND?**

NCPs of all thematic areas

### **TRAINERS & SPEAKERS**

Daniela Hackl | FFG, speaker/representing Ideal-ist
